Hi Toni and Barbara:
The only NRI program component that The Woodlawn Organization (TWO) recommended themselves is Reentry. In that component, they are recommending that Woodlawn Preservation Investment Corp (WPIC) for the Coordinating Partner and that TWO for the providing partner.

Attached is the missing page that begins to explain that WPIC and TWO are separate organizations. I have also included the next page with completes the explanation for your convenience.

TWO has asked when they will know the results of their Partner recommendations. I had told her that we hope to get back to her today or tomorrow morning.
