Edith,
According to the legislation, the State Superintendent of Education shall appoint 15 members to the Task Force.

Hope this helps,

Dear Toni,

Hope the summer has you doing well despite all the work I know you are involved in with the end of the fiscal year.

I just wanted to ask you a quick question regarding the recent Anti-bulling legislation the Governor signed yesterday. I understand the legislation establishes a School Bulling Prevention Task Force. How does one get on this Task Force.

The Chicago Area Project works closely with local schools in Chicago and would like to recommend someone to be on the Task Force. Is there an application process or will individuals be appointed by the Governor?

Can you provide any information on this Task Force? It would be greatly appreciated.
