Subject:	Xavier Williams - Request for Safety Net Works 2010 Town Hall Meeting

Toni,

Esther and I have both been contacted by Xavier Williams, who manages DHS' Safety Net Works Initiative. He is currently organizing a youth town hall meeting and would like 2-3 DJJ youth (one who has a violent conviction) to participate in the meeting via video conference. The objective is to have the DJJ youths share insights/experiences/warnings with the at-risk youth attending the town hall.

Dir. Friedenauer has told Xavier that he will only ok this if it is approved by the Governor's office. Xavier would like to have a discussion with you about this; the town hall meeting is scheduled for May 1st.
