Yes, any info you can provide about what it is, how it works, funding streams. Someone in the community made reference to it and I didn't know anything about it.

Thanks

Toni,
Per your request, attached is the Community Health and Prevention's update list to the request of all Anti-Violence Prevention Programs. Tanya Anderson, DHS/MC, should have submitted a list earlier today.

If you have any questions, please contact Dan Blair at 217/782-5752 for I will be on Furlough tomorrow.

Sincerely,
Ivonne Sambolin, Director
Division of Community Health and Prevention

Ivonne,
Thanks for this, but we are actually looking for a wider range of activities construed as violence prevention ie. after school programs, early childhood, youth job skills training, substance abuse treatment, mental health etc.

Per your request.

Michael Holmes put together a fact sheet on SNW, list of current providers in the 14 funded communities, and a draft model of co existing communities with both SNW and Cease Fire. Thanks
