Great. Thank you for the clarification. I'll keep an eye out for that application. To-date, nothing has come in for that person.

Hope your day is going well,

Israel

Ok, thanks Israel. Also, re: East St Louis Fin Authority the person we are expecting an app from is Pat Smith (male) not Jacqueline.

Thanks,

Subject: RE: Anit-Bulling Legislation

Hi Toni,

Lindsay, please correct me if I'm wrong, but I believe that the Bulling Task Force Bill that was recently signed by the Governor does not allow for any members appointed by the Governor.

(c) Within 60 days after the effective date of this amendatory Act of the 96th General Assembly, the State Superintendent of Education shall appoint 15 members to the Task Force. The membership of the Task Force shall include representatives of State agencies whose work includes bullying prevention or intervention; statewide organizations that focus

on violence or bullying prevention or intervention; teachers and management personnel from at least 3 school districts; academics who conduct research on bullying, its consequences to students in grades K through 12, or effective strategies for preventing or addressing bullying; a current high school or college student who has experienced bullying; and others at the State Superintendent's discretion. Members of the Task Force shall serve without compensation.

Public Act 096-0952 http://www.ilga.gov/legislation/publicacts/fulltext.asp?Name=096-0952

Toni, I would recommend directing the interested party to the State Board of Education for information regarding membership. It's our policy that if a Board/Commissions does not have a member appointed by the Governor, we do not create a webpage.

Thanks,
Israel

Israel, do you know if we're planning to put the Anti Bullying Task Force up on the commissions page anytime soon?

Dear Toni,

Hope the summer has you doing well despite all the work I know you are involved in with the end of the fiscal year.

I just wanted to ask you a quick question regarding the recent Anti-bulling legislation the Governor signed yesterday. I understand the legislation establishes a School Bulling Prevention Task Force. How does one get on this Task Force.

The Chicago Area Project works closely with local schools in Chicago and would like to recommend someone to be on the Task Force. Is there an application process or will individuals be appointed by the Governor?

Can you provide any information on this Task Force? It would be greatly appreciated.
