Can you go to the meeting with Violence Prevention Authority as this should be a centerpiece for your idea

Jerry, I'm thinking of setting a mtg w/key directors to find out in what way their agency funds or facilitates work that can be construed as preventing youth violence. It would be helpful to understand what is already in play that we can build upon and also so that PQ can at least reference what his adminisatration is currently doing.

What do you think?

My initial sense is DHS, DCEO, CJIA, DOC, DJJ, IEMA, Human Rights, ISBE.
