Bishop Gordon,

We received your agenda and I've spoken with the Governor about it. Gloria and I are currently in the midst of discussing our goals for the meeting.

In addition to identifying key members of a conclave we think its important that we all work together on establishing a Neighborhood Recovery Plan. Toward this end we are also expecting input from CPS and CPD as well as getting an understanding of the capacity of your constituent groups.

Gloria, Sharron, and I are looking forward to this collaborative process for violence prevention.

Toni
