Thanks, Tony. I'm assuming that what I gave you this morning suffices from IVPA. Please let me know if I can help you in any way.

As I mentioned in the meeting, I'm not sure that ISBE will mention the Social Emotional Learning work they are doing in partnership with IVPA and the IL Children's Mental Health Partnership. Let me know if they don't include it and I'll do a brief write-up for you. I didn't include this or the Safety Net Works in the write-up I gave you, because, while we administer these grants, the funds are appropriated to other agencies and paid to us under an interagency agreement. The document I provided this morning reflects programs using IVPA appropriated funds only.

Thanks,
Barbara

Subject: Violence Prevention

Dear Director,
I am writing because your agency has some activities related to violence prevention and the Governor's office is working to get a comprehensive account of the state's anti violence efforts. Can you please have a list of programs that can be construed as violence prevention and maybe a sentence or phrase that describes what each does emailed to me this week.

Thanks,
