Subject:	RE: Cost cutting

This is a huge political question that is worth thinking about. The CJIA has its roots in law enforcement - police, state's attorneys etc - while the IVPA comes from a "prevention", social work, community engagement orientation. It was started by Julie Hamos and her best friend, Barb Shaw.

What about merging Violence Prevention Authority into CJIA and create economies of scale w/budget and grantmaking staff, office space?

Toni Irving
Deputy Chief of Staff
Governor Pat Quinn
