Office of the Governor
James R. Thompson Center
100 West Randolph, 16-100
Chicago, Illinois 60601

Dear Mr. Lavin:

Pilsen Wellness Center, Inc. and its NRI Partner Agencies wish to extend a warm welcome to our **Neighborhood Recovery Initiative Celebration** on **February 16, 2012 at 11:30 a.m.** We will use this opportunity to express community support for this key capacity-building project made possible by Governor Pat Quinn through the Illinois Violence Prevention Authority.

More specifically, this important initiative seeks to build the capacity of area providers to reduce associated risk factors related to violence and to promote protective factors linked to family wellness using the following comprehensive, strategic approach:

1. Creation of jobs for community youth, adults and professionals that promote community wellness and healthy behaviors, youth and parent leadership, and healthy, caring community environments.

2. Provision of a wide range of community-based services for youth and young adults including social, emotional and job skill development; case management, trauma-informed counseling for students in need of early intervention; mentoring; reentry services; tutoring and other school supports that enhance young people's ability to succeed in school, in their community and in life.

Implemented in 20 communities throughout the Chicagoland area as well as 3 regions in the South Suburbs, the Governor's Neighborhood Recovery Initiative through the IVPA works collaboratively with public and private agencies and systems at the State and local level to maximize its effectiveness and impact. As the lead agency for the NRI in Brighton Park, the **Pilsen Wellness Center** has partnered with other service providers at the local level in providing critical services to the children, adolescents, and families we serve.

We look forward to your distinguished presence. **Opening remarks will begin at 11:30 a.m. at the Thomas Kelly High School Auditorium located at 4136 South California Avenue in Chicago.** Light snacks and refreshments will follow the program for networking opportunities and dialogue regarding issues important to the Brighton Park community served by Pilsen Wellness Center and its NRI Partners

At your earliest convenience, please contact me via phone (773) 579-0832, ext. 252 or e-mail (pnaranjo@pilsenmh.org) to confirm your attendance. Thank you in advance for your consideration.
