Subject: Good News re NRI Funding

Good news! The Governor has made funds available to IVPA to maintain NRI and Safety Net Works at fully funded levels through June 30, 2012!

We will have a meeting soon and will discuss the mechanics of extending your contracts, etc.. In the meantime, you can celebrate with your partners and your community.

You can also feel very proud of the advocacy efforts you engaged in during the legislative session. This raised the visibility of NRI and engaged many legislative leaders in support of the program. A special thanks to David Whitaker and the CAP staff for their leadership in the advocacy efforts.

Thanks for all you do for your communities.

Best,
Barbara
