Directors,

We are working on the Governor's Anti-violence plan. In formulating our plan, it would be beneficial if we knew what not-for-profits agencies our being funded in the following communities:

5. Roseland
6. North Lawndale
7. Humboldt Park
8. Englewood

We would need the names of the organizations, amount of funding and to address what issues. We want to show that there is capacity/assets within these communities. Feel free to call me on my cell [redacted]

Thank you,
