Subject: Greetings and Introduction

Good evening,

It's been quite a while since our last NRI Reentry Steering Committee Meeting. Barbara and I are looking forward to updating everyone on the progress of the Reentry Component. In the interim, I'd like to introduce everyone to Randell Strickland, who is working with NRI as our Reentry Project Consultant.

Many of you may already be acquainted with Randell, as he is no stranger to juvenile justice. He's spent the last eleven years of his career working on the Illinois Models for Change Initiative and also for the Circuit Court as a juvenile probation officer. For those of you who haven't met Randell, you will have the opportunity at the beginning of next month when we hope to have our next NRI Reentry Steering Committee Meeting.

Please watch your email for a message from Randell requesting your availability for a meeting on September 7th ***or*** September 9th. We have a lot of information to share and hope that everyone will be able to join us!

Warm regards,
Lorri
