Board Members

WPIC is going to complete this application for NRI Lead Agency in Woodlawn. We can do this and do it well. We have been a part of this program since it's inception and have relationships with Woodlawn and surrounding community organizations.

Greg Gaither with the assistance of Deb and Juanita will complete the application and let us know when it is completed. I would like it completed by 9/28/12. (Staff is this doable?) Once completed, the draft will be circulated for your review and input. The input from the board will have to be a quick turnaround.

They are considering 2 other organizations. Who better than us can do this????

Greg...Please send some talking points on the accomplishments of our current NRI program. Also thanks for persevering to help our young people.

Thanks all

Marion Moore
