Subject: NRI Audit Request

Lorri,
During our meeting with ICJIA last week, Mike asked Jack Cutrone if the same lead agencies will be used in the NRI communities for Year 3. Cutrone said yes, with a few exceptions. He mentioned that Toni Irving in the Governor's Office contacted IVPA for the names of those agencies having performance issues. In a follow-up phone call with Irving, she mentioned having received the names of lead agencies with performance issues from you. Will you please provide a complete listing of all lead agencies and community partners that IVPA has noted as having performance issues? Please call with questions - 217/558.3968.
Thanks,
Jill Paller
