5	Grant Description
6	The company has begun delivery of their internal information technology and technical workplace skills training designed to introduce more efficient technologies/continuous improvement systems into their operations.
7	The Grantee will use grant funds to administer the Hope and Healing Youth Institute program at its facility located at 6430 South Harvard, Chicago, Illinois. The program allows youth, ages 15 to 19, in the Englewood and West Englewood area opportunity to acquire meaningful work experience and explore various career options.
