Subject: Youth Violence Intervention and Prevention

Good Afternoon,

Per my voice message, is there any opportunity for the community of Maywood to reallocate funds for the Re-entry Component of NRI? I spoke with Jack Cutrone of ICJIA and he informed me the selection of NRI programs to be funded under ICJIA came from the Governor's Office (and he could not authorize reallocation of any funds).

Community agencies and public entities are concerned that the cut in this particular program for the community could impact public safety. Maywood and west suburban Cook County do not have the number of funders providing financial support for violence prevention/intervention programs compared to the city of Chicago so the loss of the program negatively impacts the community.

Let me know when you are free to discuss this matter in more detail. If you have any questions or concerns, please feel free to contact me at your convenience.

Thank you and have a blessed,
