On behalf of Billy Ocasio, Senior Advisor to Governor Pat Quinn:

Dear All:

Please see attachments. We are looking to announce a new program which will work in 20 communities. Lead agencies have already been indentified. We are urging them to partner with a faith based organization, these organizations may have the possibility of becoming subcontractors for this program. If you would like to participate feel free to call Socorro Del Real at 312-814-1604 for further information.

Thank you.
