Toni:
I am forwarding this email to Kim White, our Chief Administrator for the DHR Institute for Training and Development. She will give you a comprehensive list of trainings involving our diversity awareness and avoiding workplace conflict trainings, as well as the other parts of our curriculum that may be helpful for the overall view of statewide efforts.

Thanks Kim.

Subject: Violence Prevention

Dear Director,
I am writing because your agency has some activities related to violence prevention and the Governor's office is working to get a comprehensive account of the state's anti violence efforts. Can you please have a list of programs that can be construed as violence prevention and maybe a sentence or phrase that describes what each does emailed to me this week.

Thanks,
