Hi, I will follow up with you both tomorrow. (I just checked my messages and saw that Wendy also called.) All of the unfunded agencies will most likely complain, so I have a strategy that will help to ease the pressure in most cases.

Have a good evening,
Lorri

Subject: Lakeside Community Committee Re-Entry program

Good Afternoon Ms. Irving,
My name is Jackie Sharp and I'm the CEO of Lakeside Community Committee of Chicago. I am requesting a meeting or a phone conversation with you in regards to Lakeside not being selected to continue to provide Re-Entry services to the Greater Grand Crossing community. For the last two years, Lakeside Re-Entry staff have worked deligently with the young people returning back to the community. We have good working relationships with our community partners and to be honest with you, I was shocked that we were not selected. We had been told up until a couple of days before getting the results, that there was not reason why we wouldn't be selected. Our numbers were always data entered on time; we never overstated or understated our numbers and our reports were always submitted on time as well.

I would think that if we were not doing what was expected of us as an agency, that our Lead Agency would inform us. We were in constant contact with our Lead Agency who approved the services, trips and our budget. We have always been told by our Lead Agency that our numbers were good and we were providing quality services--so what happened? I beg of you to set aside a few minutes to talk to me and explain the elimination process so I will know what happened and if it is possible for Lakeside to fix it. I think the fair thing to do is to let a person know what they are doing wrong and give them an opportunity to correct it and if it is not corrected, then take action. This announcement came as a total surprise to me and to my Re-Entry staff.

I am looking forward to hearing from you. I can be reached at the above email address as well as cell [redacted]
