Hi, Toni. This is the letter we received from the Englewood NRI Lead Agency in response to Bishop Duke's letter of objection. We also received a letter today from Alderman Latasha Thomas about this (I'll scan and send to you tomorrow).

IVPA is comfortable with Children's Home & Aide's response. Are you okay with us moving forward with their recommended partners for the components in question?

Also, should we send a copy of this letter to Bishop Dukes and to the Alderman, or should we ask Children's Home and Aid to send it to them?

Please let me know how you would like us to proceed.

Thanks,
Barbara
