Subject: FW: CNN - Open records request
Importance: High

Can we please talk about this extremely burdensome request, especially the request for quarterly reports from NRI subcontractors which is several hundred documents for each year , and the Special Projects request which also involves many, many documents. IVPA is also burdened right now with having to copy our files for transfer of the program to ICJIA.

Can we please narrow this request?

Thanks,
Barbara

RECORDS REQUEST

Dear Ms. Shaw:

Pursuant to the state open records act, I am writing to request access to and copies of all records pertaining to the Neighborhood Recovery Initiative (NRI) and Special Projects grants, implemented by the Illinois Violence Prevention Authority in fiscal years 2010, 2011, 2012 and those planned for 2013.

This includes:

- IVPA annual and audit reports
- Breakdown of amounts for all IVPA grants and programs during FY 2010, 2011, 2012 and 2013
- Breakdown of how many organizations (including lead agencies and subcontracting partners) participate in the NRI program
- Breakdown of how many organizations participate in the Special Projects grant program;
- Financial and program reports submitted quarterly by all 23 lead NRI agencies for FY 2011 and 2012. Pursuant to the previous request, we received FY 2011 quarterly reports for Chicago Area Project, Better Boys Foundation, The Catholic Bishop of Chicago-The Ark of Saint Sabina, Village of Maywood and Black United Fund of Illinois. We would like the remaining reports for all the lead agency organizations as well as subcontracting partner organizations submitted during FY 2011 and FY 2012
- All reports from Special Projects grantees for FY 2012 including program design and description, financial reports and progress reports

- A breakdown of all temporary and permanent jobs created as part of the NRI program including youth, professionals and staff for the organizations
- Data results available to date from the online database system implemented by IVPA to monitor progress of the NRI Program

We are willing to cover limited copying fees and full shipping costs that the agency may incur while providing this information to us.
If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act.

Thank you for your assistance.

Sincerely,

Elizabeth Nunez
