Sorry we made a change at the end of yesterday's meeting. We went back to Humboldt park not Pilsen.

This list was very helpful and we just need to drill down a bit to the agencies that are actually paid to do these programs. In particular, we're trying to figure out how our programs are impacting Roseland, Englewood, Pilsen and North Lawndale.

Can you provide the contact information for the agencies under each program serving the above communities?

Thanks!

Toni,
Per your request, attached is the Community Health and Prevention's update list to the request of all Anti-Violence Prevention Programs. Tanya Anderson, DHS/MC, should have submitted a list earlier today.

If you have any questions, please contact Dan Blair at 217/782-5752 for I will be on Furlough tomorrow.

Sincerely,
Ivonne Sambolin, Director
Division of Community Health and Prevention

Ivonne,
Thanks for this, but we are actually looking for a wider range of activities construed as violence prevention ie. after school programs, early childhood, youth job skills training, substance abuse treatment, mental health etc.

Per your request.

Michael Holmes put together a fact sheet on SNW, list of current providers in the 14 funded communities, and a draft model of co existing communities with both SNW and Cease Fire. Thanks
