Jean, I recall us having prepared something along these lines for our Board discussion on this topic.

Can you resurrect that and get to Carol so she can send on my behalf.

Susie and Darren, just an fyi on this.

Chris

Subject: Violence Prevention

Dear Director,
I am writing because your agency has some activities related to violence prevention and the Governor's office is working to get a comprehensive account of the state's anti violence efforts. Can you please have a list of programs that can be construed as violence prevention and maybe a sentence or phrase that describes what each does emailed to me this week.

Thanks,
