Adam, I don't think Aurora or Champaign are eligible at this stage.

Chima can you send to Adam the list of 20 communities in the NRI pilot?

Thanks

Toni,

Thought I would try you by email since we can't seem to connect by phone.

I was calling because I have had two inquiries about Neighborhood Recovery from a not for profit in Aurora and from the city of Champaign. They are looking for info on the program and applying for grant funds. Do you have info I can pass along to them?

Thanks,

Adam
