Good Morning,

First, I wanted to thank you for the introduction to Arthur Bishop last week. I have a quick question; who is the lead agency identified in Woodlawn (if a determination has been made)? There is a non-profit organization founded by several leaders from the Apostolic Church of God (Pastor Byron T. Brazier) that serves the southeast side of Chicago in the areas coinciding with the Neighborhood Recovery Plan. I want to know what organization in their community was giving the lead agency role so this group of leaders can be kept abreast of the progress of this project.

Thank you again for your assistance and look forward to speaking with you soon!

Have a blessed day,

Isaac McCoy
