HOUSE RESOLUTION

The following resolution was offered and placed in the Committee on Rules.

HOUSE RESOLUTION 131

Offered by Representative Madigan:

WHEREAS, The Department of Central Management Services (CMS) is responsible for establishing "rules, procedures, and forms to be used by State agencies in the administration and payment of workers' compensation claims" and for the initial evaluation, determination, administration, and payment of workers' compensation claims involving State agencies [20 ILCS 405/405-105 and 405/405-411]; and

WHEREAS, According to the CMS website (http://www.cms.il.gov/cms/2_servicese_ben/workcomp.htm), "CMS Workers' Compensation Adjustors and unit supervisors are available to ensure efficient and proper claims administration in the following principal areas: 1) initial claim review for determining compensability; 2) ongoing benefit management (including payment of medical charges and temporary disability); and 3) proper negotiation of settlements based on partial or total permanent disability"; and

WHEREAS, Also according to the CMS website, the "Office of the Attorney General is responsible for the defense of claims arising from work-related injuries or disease. The CMS Workers' Compensation Adjustors work closely with the Office of the Attorney General to bring litigated cases to a resolution if

such resolution is advantageous to the State. Otherwise, when both parties fail to reach an agreement, a disputed claim is heard in front of an Illinois Workers' Compensation Commission Arbitrator for disposition."; and

WHEREAS, By statute, the "hearings before the Arbitrator shall be held in the vicinity where the injury occurred after 10 days' notice of the time and place of such hearing shall have been given to each of the parties or their attorneys of record" [820 ILCS 305/19(b)]; and

WHEREAS, By rule, designation of an alternative hearing site "may be had upon showing to the Commission of extreme hardship worked upon a party or parties by the designated site, or by agreement of the parties" [50 Ill.Adm.Code 7020.50]; and

WHEREAS, According to the Illinois Workers' Compensation Commission's FY09 annual report, of 57,192 cases closed in FY09 by arbitrators, 50,610 were closed through a settlement process in which the employer and employee enter into a Settlement Contract and present it for approval to the arbitrator assigned to the case; and

WHEREAS, Parties who are dissatisfied with an arbitrator's decision may appeal that decision to a panel of three IWCC commissioners, and the panel's decision is final for cases involving State of Illinois employees; and

WHEREAS, According to the IWCC's website (http://www.iwcc.il.gov/news.htm), under a procedure in effect prior to March 1, 2011, over 3,500 pro se settlement contracts were reviewed by arbitrators before being assigned a case number in calendar year 2010, making it difficult for the IWCC to "determine if any of those contracts go astray and fail to get entered into the system"; and

WHEREAS, Recent news reports raised questions about the practices of two workers' compensation arbitrators, each of whom has since been placed on administrative leave; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SEVENTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that the Auditor General is directed to conduct a management audit of the Workers' Compensation program as it applies to State employees; and be it further

RESOLVED, That the audit include, but not be limited to, the following:

(1) the roles of the Department of Central Management Services, the Attorney General's Office, and the Illinois Workers' Compensation Commission in processing, reviewing, determining, and paying on workers' compensation claims filed by State workers;

(2) the number of claims filed by State workers during the last 4 years, including a classification of the types of alleged injuries, employing unit, disposition, and claims payments;

(3) a review of the settlement contract process and, in particular, documentation supporting any decisions on these claims;

(4) an analysis of any fraud identification and control policies and procedures governing the workers' compensation program;

(5) whether the processing of State employee workers' compensation claims complies with applicable State law and regulations;

(6) an analysis of arbitrator caseloads over the 4-year period, including the number of cases closed, a classification of the types of alleged injuries involved in those cases, the employing unit involved in the claims, and claim dispositions and payments;

(7) a review of conflict of interest policies applicable to arbitrators, commissioners, and other principals involved in the workers' compensation program, including any procedures for handling workers' compensation claims filed by arbitrators, commissioners, and other principals involved in the workers' compensation program; and

(8) a comparison of claims history by State workers to claims filed by all other workers covered under the Workers' Compensation program; and be it further

RESOLVED, That the Department of Central Management Services, Attorney General's Office, Illinois Workers' Compensation Commission, and any other entity having information relevant to this audit cooperate fully and promptly with the Auditor General's Office in the conduct of this audit; and be it further

RESOLVED, That the Auditor General commence this audit as soon as possible and report his findings and recommendations upon completion in accordance with the provisions of Section 3- 14 of the Illinois State Auditing Act; and be it further

WHEREAS, The Tolan career record for Angus at all shows totaled 845 class winners and 385 Champions; and

WHEREAS, The Tolans' immense contribution to Illinois agriculture and the development of Angus cattle should be recognized, and they deserve to have their achievements noted and remembered by current and future generations; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SEVENTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we designate Barn 13 at the Illinois State Fairgrounds in Springfield as the J. HOUSE RESOLUTION 117

Offered by Representative Golar:

WHEREAS, Since the founding of Illinois' State hospitals, residents of Illinois with mental illnesses and developmental and other disabilities have been removed from Illinois communities and committed to live in State institutions; and

WHEREAS, Some residents of these State institutions were forced to labor without compensation; and

WHEREAS, Some residents of these State institutions were subjected to medical experiments and procedures without their consent, including the routine subjection of female inmates to involuntary sterilizations; and

WHEREAS, Some residents of these State institutions were subjected to punitive shock treatments, frontal lobotomies, aversive treatments, and isolation; and

WHEREAS, Thousands of children grew up in these State institutions learning none of the comforts, joys, and cultural norms that are learned in family life; and

WHEREAS, Thousands of parents whose children required intensive care were forced to make painful decisions about whether to institutionalize their children or to provide all the care and education they required themselves, incurring in the process immeasurable financial, career, social, and familial burdens; and

WHEREAS, Parents of persons with developmental disabilities were sometimes advised to institutionalize their children, and to break their familial bonds by making them wards of the State irrespective of the family's and community's ability to support and nurture these children; and

WHEREAS, These fellow Illinoisans were portrayed by some as subhuman organisms, as deviant individuals to be feared by society, and as eternal children unaccountable for their behavior and incapable of speaking for themselves or shaping their own lives, which greatly diminished their fellow citizens' ability and willingness to accept them for their own unique qualities; and

WHEREAS, Institutional care for persons with developmental disabilities has been scientifically demonstrated to be detrimental to people's basic development, including social development, development of self-determination, and the development of the basic skills of daily living; and

WHEREAS, Many residents of Illinois once viewed this institutional treatment as acceptable and subjected tens of thousands of citizens to it, but now recognize how wrong this treatment was; and

WHEREAS, Illinois' State institutions are closing and, through this process, their history and the acknowledgment of our collective responsibility for it may be forgotten; and

WHEREAS, People who were relegated to State institutions and their families have never received a formal apology from the State; and

WHEREAS, The states of Virginia, Oregon, South Carolina, California, and North Carolina have apologized for similar actions towards people with disabilities in their own states; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SEVENTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that the State of Illinois apologizes publicly to all persons with mental illness and developmental and other disabilities who have been wrongfully committed to State institutions, acknowledging that it regrets this history of institutionalization of persons with those disabilities, and that it commits itself in their memory to move steadfastly to help residents of Illinois with those disabilities who in the future turn to the State for services to receive them in the least restrictive manner; and be it further

RESOLVED, That suitable copies of this resolution be delivered to appropriate organizations of people with disabilities and to the news media.

Offered by Representative May:

WHEREAS, Article XIII, Section 5 of the Illinois Constitution provides that "[m]embership in any pension or retirement system of the State, any unit of local government or school district, or any agency or instrumentality thereof, shall be an enforceable contractual relationship, the benefits of which shall not be diminished or impaired"; and
