Do one of you think you could take this meeting on the Gov's behalf?

Dear Laura:

These are members of the Advisory Board for the Neighborhood Recovery Initiative (NRI) in Roseland. They will want to talk about the need for Summer Jobs for youth and the relationship between summer jobs and violence prevention.

The Governor should decide if his relationship with Jackie Algee warrants a meeting. The Governor appointed Jackie to the Anti-Violence Commission; she is a key leader of SEIU, and her son was murdered some years ago.

Let me know if you have any further questions. Thank you Laura.

Michelle

Thanks for passing this along. Do you have any additional information on the group and what they would like to meet about? Does Secretary Saddler think this is a meeting the Governor needs to take?

Laura, Secretary Saddler asked that I email this request to you from Jaquie Algee. She has already met with her and the Roseland NRI group. Please advise if the Governor is able to meet with her along with the NRI group. If you need further information or details of the meeting with Secretary, please let me know and I'll make sure they are provided for you.

Thanks.

Hi Michelle. Hope you are well. It was good to talk with you. Again, I am requesting to schedule a meeting with you and the Roseland NRI. I am also asking you to assist me with trying to schedule a meeting with Governor Quinn and the same group. Any assistance you can give me will certainly be appreciated. Take care and be blessed.
