Barb, sorry I missed you Monday. The Gov decided to leave for Springfield much earlier than expected. Are you free for a call today?

Subject: Revised School-Based Counseling Outline and Miscellaneous
Importance: High

Attached please find the Provider Partner Criteria document with further clarification on the School-Based Counseling criteria.

Also attached is the revised School-Based Counseling write-up. This is still a draft not for wide distribution.

Please let me know if you have any questions.

Also, there are a number of you who have not yet hired your Project manager. We are really hoping that all Project Coordinators would be hired and in attendance on Friday. Please let me know if you are not able to have your Project Coordinator there, what the hold-up is and and when they will be hired/

Finally, if you have not already done so, please submit your list of Advisory Committee members right away.

I look forward to seeing you on Friday. Please fax in your response forms (attached)so that we can count you for lunch.

Thanks,
Barbara
