Toni-

It doesn't appear that our programs (IEMA) classify as violence prevention as this is more directly related to law enforcement. I will add that one of our committees to the Illinois Terrorism Task Force, the Illinois Law Enforcement Training and Standards Board, does conduct workshops that are paid through our federal preparedness funds but this more accurately is a law enforcement intelligence program on gangs.

Hope this helps.

Thank you

Lisa

Dear Director,
I am writing because your agency has some activities related to violence prevention and the Governor's office is working to get a comprehensive account of the state's anti violence efforts. Can you please have a list of programs that can be construed as violence prevention and maybe a sentence or phrase that describes what each does emailed to me this week.

Thanks,
