Subject: Sunday's Meeting with the Governor

The Meeting with the Governor on Sunday is scheduled to go from 4:00-6:00. The primary purpose is to review Budget issues and Interfund Borrowing. GOMB has done an analysis of the House Budgets and Senate Budgets. If there are updates based on the bills that actually passed, Dave/Malcolm should have them updated and sent to everyone. Everyone should review these budgets. We will discuss the Governor's priorities that need to be pursued with the GA as we enter the final two weeks of the session. We must also decide what our response is to the HD/SD's Interfund Borrowing proposal.

As the session winds down, we need to focus on the Governor's priorities for the final Budget and our need to pay the bills. See you on Sunday. Thanks.
