TEAM Illinois Initiative

TEAM Illinois is a Priority Initiative that Empower Illinois' Communities

Inception since July 7, 2003

TEAM Illinois Mission

- Move from Dependency to Self-Sufficiency
- Build Capacity
- Create Sustainability Networks
- Restore Pride and Dignity
- Develop and Implement Blueprint for Prosperity
- Demonstrate Citizenship in Action

Future of TEAM Illinois

- Integration of Initiative into the Illinois Department Of Human Services, Division Of Community Health and Prevention
- Strengthen Partnerships - Externally to Communities & Internally to State Agencies
- Acknowledge Communities for their participation in TEAM Illinois

Increase Communication between TEAM Illinois' State Agencies

- Increase Interaction among participating TEAM Illinois' State Agencies
- The Governor's Office will take the lead in reinstituting Quarterly TEAM Illinois meetings
- Individual TEAM Illinois Agencies take the lead on Agency Projects

TEAM Illinois Newsletter & Website

- Develop TEAM Illinois Newsletter and Website to assist Community Steering, Local Residents, and Elected Officials to monitor project status and to receive vital updates from lead Agency

TEAM Illinois Collaboration

TEAM Illinois is a Partnership among:

- State Government
- Private-sector Businesses
- Local Residents
- Elected Officials
- Faith-based Organizations
- Key Stakeholders

TEAM Illinois Sites

- Alexander County
  - East Aurora
  - Englewood
  - Pembroke
  - Savanna
  - Venice

TEAM Illinois Challenges

These Communities were identified on the basis of Several Socio-Economic Indicators:

- Unemployment Rates
- Lack of Adequate Housing
- Major Infrastructure and Utility Needs
- High Illiteracy Rates
- General Trend of Economic Downturn
- High Crime Rates
- High Substance Abuse Rates
- Lack of Adequate Healthcare

TEAM Illinois Community Involvement

- TEAM Illinois State Partners met with Community Residents and Leaders to address their Community's present and future needs
- Steering Committees and Community meetings were established in each site
- Each Community presented a list of projects they deemed essential to their future success

TEAM Illinois Reporting
