Hi Toni,

Yes, I will remain in Chicago this month but unfortunately I will be on vacation on the requested date. My youngest daughter will be graduating from high school, so we'll be celebrating her accomplishment. I will be back in the office on June 7th, so please let me know if there are dates after the 7th that fit within your schedule.

Good luck in Springfield and safe travels!

Lorri

Lorri, thanks for following up. I take it you're in Chicago? It looks like I'm in Springfield non stop until the end of the month. How about Tuesday, June 5 at 2pm?

Hi Toni,

As requested, I am following up with you to schedule time on your calendar. This Wednesday, May 16th , anytime, works really well for me. I can also meet at noon on Friday, May 18th. If neither of these dates fits within your schedule, let me know and I will make adjustments.

Regards,
Lorri
