I know I missed the conversations today but are we sure we don't want to save the first 2 paragraphs on page 2 for a separate announcement? The small business enterprise is a great plan but seems like a non sequitur in the violence prevention discussion. It also seems like an excellent opportunity to have another announcement next week...

Good afternoon.

The final release for tomorrow is attached. I wanted to make sure you all have a copy before the event. Please let me know if you have any questions and/or concerns.

Thanks!
