Hi, Toni. I'm in the office developing some communications to legislators and grantees on the latest House proposals re NRI, and it would be really helpful to know whether and what actions the Gov's Office is taking in this matter.

Please call me this afternoon if you can at (312) 814-1514 (office) or [redacted] (cell).

Also, I'll be driving down to Springfield in the morning (Monday) to be there by 10:30 for the reconvening of the House.

Thanks,
Barbara
