ECP SAFETY INITIATIVE

Expert Community Providers ***(EPC's)*** – are organizations in the community that service youth and their needs. (i.e. school, physical, character, health, education, career development, life exposures, community service)

The Safety Initiative is a directory of Expert Community Providers ***(ECP's)*** to help you identify positive opportunities to reduce the time that students/youths are on the streets. The time spent off the streets will be constructive and productive time at one of the Expert Community Providers ***(EPC's)*** in this directory.

Expert Community Providers ***(ECP's)*** already exist and are doing their jobs, and now we are providing a directory for you to connect students/youths with Expert Community Providers ***(ECP's)***.

Expert Community Providers ***(ECP's)*** will take recommendations from Parents, Schools, Police, Alderman, Churches, other ECP's and Friends, to get students/youth to register.
