Hi Tony:
Barbara asked that I send the below information on to you. Rev. McCoy has been calling the Sec of DHS and apparently your office about the fact that he was not selected for Safety Net Works funding. Perhaps you haven't gotten the call yet but we wanted to give you a heads up.

Rev McCoy, of the International Pentecostal Assemblies Ecumenical, applied to be a SNW Lead Agency for the South Suburbs back in Feb/March 2011. Their applications was not very strong. They focused mostly on the Chicago Heights area, did not address all the program requirements; suggested implementing their own existing programming throughout the application.
They also applied to Aunt Martha's (the selected Safety Net Work Lead Agency in the South Suburbs) to be a youth development partner. At this time, Aunt Martha's is not recommending them for the Youth Development Component. Now that funding was restored, Aunt Martha's is planning to go back to their review group to revise amounts and/or recommend new partners.

I think that sums it up. Please let me know if you need anything else. Have a great holiday weekend.
