Hi Toni,

Is there an updated version of the attached job description? This is the one Tere forwarded on 8/21 (see email below). Wendy Cohen has requested an update for a conference call she is planning to finalize the description and get the announcement out. I can forward the attached to her, but just wanted to make sure this was the most current version. Please advise. Thank you…Robin

Subject: job description

Hi… I made some changes to the job description that was sent by the AG's office for the IVPA Director – I think it needs more work – Toni can you update it and send it back…

Then we will send to Wendy Cohen before we use it to post

Thanks
Tere
