I just wanted you to know that, as you can see below, I received a call from this CNN reporter who wanted info on NRI. Our Englewood Program Coordinator said the reporter talked with him last week about NRI in the context of her calling them about violence in the City. They said it was a positive interview-- that she has some questions for IVPA and might call.

I will reach out to her tomorrow. It would be great to have a positive story about NRI!

Thanks,
Barbara

Hi,

Barb, here's an email from Elizabeth. I will let her know that you would most likely get back to her on Thursday since you are on your way to Springfield today.
