I have no problem with it although he did state that he wanted to speak with me prior to reviewing the documentation that I already submitted. I am comfortable with whatever you feel is best.

Thanks. Is it ok if I share this email with our general counsel who covers IVPA?

Good Morning Toni,

I wanted to update you regarding the Terminated Partners for the Healthcare Consortium of Illinois (HCI).

It has been brought to my attention that The Link & Option Center has not been in Good Standing with The Office of the Secretary of State for quite some time and The Network Room's Good Standing was an Involuntary Dissolution. Project Hope Early Learning Center is still a daycare center and they are in Good Standing with The Secretary of State's Office.

I have not shared this information with IVPA, I plan to do so when we meet on Friday for the Closeout meeting.

I am still waiting for a date and time for Mr. Boltz and I to speak. Please review the e mail below to have an accurate account of how much money is owed to HCI.

Thank you,
Jaclin Davis

Sincerely,
Jaclin Davis
