I only indicated who would be hired at CJIA. I do not know anything about the rest of the staff. I cannot make a commitment knowing nothing about the person, her performance, the personnel budget or remaining needs. What was she told she would be doing? Was she given a time limit for employment?

Marilyn is the NRI Admin staff person. She manages the influx of documents, tracks reports, supports the team and keeps the various component information for NRI. She is the person that you indicated would not be hired by ICJIA.

Hi Toni,
Can you please guarantee that Marilyn will be able to stay at IVPA until February? She needs time to find a job. Please confirm. I'd really appreciate it.
Thanks,
Lorri

I'm not sure my DPH/AG meeting will be over by then. Should I step out of the meeting to connect?
