We are planning on bringing over:
Lorri Jenkins and the three grant monitors, Denise Barnett, tara Cameron & Latoyia Neal.

We were trying to figure out the best way to bring them over. Barbara preferred terminating their IVPA employment and having ICJIA enter into personal service contracts with them rather than keeping them on IVPA payroll why they were working and being supervised by ICJIA. I can appreciate that. However, it turns out that even the PSC's are likely subject to Rutan. CMS is working on the determination of whether the positions would be covered and we will probably have an answer tomorrow. If they are determined to be Rutan covered positions, then Jeff Shuck at CMS will have to determine whether the fact that they may be of limited duration may allow us to bring the existing monitors over without having to open it up in the posting process and to interview others. It may be that we will have to go to plan B which is to keep them on as IVPA staff but working and supervised at ICJIA. That might actually turn out to be the only option. That would be easier in one respect, in that we would just give them their IVPA salaries plus a small increase. If they come as PSC's then we will have to determine the value of their state benefits, which they would not get on PSC's and pay them enough to make up their salaries plus an amount to compensate them for the loss of state benefits. That is a bit more complicated to figure.

Their existing salaries are:

Lorri Jenkins	73,542
Denise Barnett	56,650
Tara Cameron	47,741
Latoyia Neal	46,350

As far as the transition date, we were originally shooting for Oct. 1, but it might not be until 10/15 just because it has taken so long to run the IGA by three sets of lawyers, ICJIA's and the AG and DPH acting for IVPA. ICJIA staff will cover until they make it over here, so that is not a problem.

So far Barbara has not wanted to talk to them about what the plan was until the IGA was in place. I did not really agree with that since they are left somewhat hanging but as of now, they are IVPA's staff so that is Barbara's call.

I will try to call you tomorrow about Enlace. What would be a good time?

Jack, which IVPA employees are selected to move to CJIA?
What date is the move to happen?
What if any changes were made to their title/status/ salary?
