Thanks Era, please send me some times that work for you tomorrow and I will do my best to get on calendars here.
Thanks, Wendy

Wendy:

You have the correct email address, thanks for coordinating this. The preference would be to have the conversation ASAP – I don't anticipate it will take very long. If we aren't able to discuss tomorrow, then Thursday at 10am works for me – but again, we would really like to have this conversation sooner than that.

Thanks.

I've taken a guess at Era's e-mail address, so Jason, if this is incorrect, please forward. Will Thursday work for you to have a conference call? 10am would work, or anytime after 1:30 for our office. If necessary, we could make time tomorrow, but will be more difficult to find a time. Thanks so much
