Thanks, Toni. What about late in the day after your meeting with the Governor? If that doesn't work could we do 1:15 or 1:30? Hopefully it won't take more than 30-40 minutes . I can't miss my 10:30 – noon meeting (with Senator Raoul and two alderman about the Senator's Special Project on the Southside) and I have a conference call with the Director of the CDC Division of Violence Prevention from 12:00 - 1:30 and would like to miss as little of that as possible.

I hope we can squeeze some time somewhere.

Thanks,
Barbara

Barbara we have a senior staff meeting until 11 and a meeting with the Governor at 2 so unfortunately 11, 12 and 1 are looking like the most likely slots to help you on Monday.

Thanks, Cristal. If possible could we meet before 10:30 or after 4:00? I can cancel some meetings if I need to, but I can't be available between 10:30 and 1:30.

Thanks,
Barbara

IVPA is having its Senate approp hearing on Wednesday. We should get together on Monday to prep Barb and discuss messaging on the special project grants. I'll ask Jennie to schedule, please do whatever you can to make yourselves

available.

Thanks,
Cristal
