Dear Ms. Green,

After carefully reviewing all submitted documentation from The Link & Option Center (TLOC) covering the Fiscal Discrepancies of the 2nd & 3rd Quarter Reports for both School Based Counseling (SBC) & Reentry, the supporting documentation did not validate or verify that all discrepancies were corrected or cured in a timely manner. Therefore, it has been decided that no New Contract will be extended to TLOC.

The Link & Option Center is required to produce a Close Out Report as well as return all Unspent Funds for both SBC & Reentry to The Healthcare Consortium of Illinois (HCI) immediately. Upon review of The Link & Option Center's 2nd & 3rd Quarter Report(s) for **School Based Counseling, $12,652.62** is due to HCI in Unspent Funds. Upon review of The Link & Option Center's 2nd & 3rd Quarter Report(s) for **Reentry, $3,399.57** is due to HCI in Unspent Funds. A **Grand total of $16,052.19**, respectfully, is due to HCI in Unspent Funds from The Link & Option Center.

If you have any questions, comments or concerns please do not hesitate to contact James Lyles at [redacted] and/or jlyles@hcionline.org.

Sincerely,

Salim Al Nurridin
