Subject:	FW: FOIA Request

Reshma Desai, IVPA Director of Grants Programs (copied on this email by way of introduction as she will be handling FOIA issues with you after this week), received this email today. We checked with Maria Espindola, our office Manager who is the website contact person , and she did not find any email from Lynette. By the way Lynette is the Exec Dir of Fellowship Connection, a non-profit that Representative Arroyo wanted to receive NRI funds in FY 12.

We are confused by her request and would like to call her to try to figure out what she wants. Is that okay?

Hi Barbara,
Should we send this FOIA request to IDPH and start preparing it?

Subject: FOIA Request

Dear Ms. Desai,

I am writing because in the month of July I submitted a FOIA request for an RFP created for the NRI programs by Chicago Area Project, Southwest Youth Collaborative and ALSO. I submitted this request from my laptop which I do not have with me today and therefore cannot forward the original request. I submitted to a contact on your website, and at this moment cannot recall the name of the person.

If you would be so kind as to respond to my request I would be most appreciative. I can be reached at [redacted].
