Yes, Elizabeth Nunez is kind of hoping for something today - but we can buy some time if needed. She is planning to send a crew to the "graduation ceremony" for St. Sabina's on Friday - as well as the B-ball game on Saturday.
She is asking for us to suggest another group that she can be put in touch with and she wants to send a crew around to film the activity "on the street." So I am trying to ID a good one to suggest....

Is it due today? If not, I'd prefer to provide later this week. I'm in the process of reviewing. Let me know, thanks.

Brooke:

Toni, Team legal and Mike have all reviewed. If you're okay with this PR wise, Mike can forward to CNN today.

Thanks.

I'm so glad that you said double check the numbers! The numbers in first question are corrected in the attached version and ready to go. I also italicized the last response to be consistent with the other answers. I'm sending both a tracked change version so that you can see the corrected numbers and a version with tracked changes accepted.

Thanks for everyone's help with this

Attached are draft responses to the CNN reporter's questions. The last question (is it working?) is a challenging question. I will work on a draft response, but wanted to get the rest of the responses to you for your review.

Thanks,
Barbara
