Subject: IVPA merging with CJIA?

Director,
Robin just talked with Wendy Cohen from AG's Office, who informed her that legislation is being introduced tomorrow to merge IVPA with CJIA. Were you aware of this? Have we seen a draft of the legislation? State Senator Linda Holmes is supposedly the sponsor (Senate Amendment 1 to HB 3816). According to Wendy, It is just being filed but a draft will be available online tomorrow. She also claims that GO is aware and that she has been working through Eva Lowdermill and Valecia Haddox (spelling?)? Do you want to reach out to Gelder and/or Toni Irving? This was news to me, but perhaps you and Jason already were aware?

Sincerely,
Stephen J. Konya III
Chief of Staff
Illinois Department of Public health
