Subject: IVPA & Legal Counsel Jason Boltz

Good Afternoon Toni,

I wanted to share with you my concerns regarding the lack of concern, displacement of responsibility and unwillingness of Jason Blotz to aid, investigate or discuss with the Lead Agencies regarding owed NRI funds from terminated partners.The last time I heard from Mr. Boltz was October 31, 2012. I was informed by a fellow Lead Agency that there is nothing he can or is willing to do to recoup the funds and instructed them to work with IVPA.

I would think that this situation would be taken much more seriously than it has been and resolved as soon as possible. With the CNN piece that was aired regarding NRI, his lack of concern could be detrimental to the program, its integrity is already in jeopardy.

Lastly, if Mr. Boltz I the General Cou8nsel over IVPA I would be very concerned with his lack of concern regarding this entire situation.

Your prompt attention to this matter is appreciated. If you would like to meet or further discuss please do not hesitate to call me at [redacted].

Sincerely,
Jaclin Davis
