I'm actually flying out today. I spoke with Toni, Teresa and Barbara. I will continue to help them coordinate. The only way I could address our concerns with the program was to cut out the middle man and confirm cash availability with the banks myself. I'm meeting with Deutsche, Fortress and Oakhill Capital.

Where are you? I was told you were in NYC today. Now, I am told that it is on Tuesday. Who is the point on NRI for Wednesday? When are you back? Let me know. Thanks.
